# The Safest Investments

Are those that do not fluctuate during dis-turbed conditions of the money or stock mar-bels. First déed of trust notes (first mort-rages), well secured on real estate in the Disgrees), well secured on real estate in the Dis-trict of Columbia, constitute "gilt-edge" in-restments. They do not depend upon the financial responsibility of individuals or cor-porations for their stability, and are exempt from faxation as personal property. We can apply such investments in amounts from 3600 upward. Send for booklet, "Concerning Loans and Investments."
